

MOTO JAM

Moto JAM is a complimentary talk event presented by the Automobile Club of AITAM, which follows a productive skill-building workshop on motorsports engineering and off-road vehicles. The event starts with the workshop where attendees can develop their knowledge and understanding of motorsports engineering and off-road vehicles. The workshop will be led by the Automobile Club which will share its expertise and provide hands-on training and practical demonstrations. Attendees will have the opportunity to work with real-world examples and to put their newly acquired skills into practice.

Participant Guidelines:

- Participants who wish to talk in the JAM session must be a part of the workshop and ought to be present throughout the workshop.
- A JAM session is conducted in which the participants are randomly given a topic or technology and asked to speak for a minute.
- No appeals for extra time are entertained.

Winning Criteria:

- Participants are awarded points for speaking smoothly and without significant pauses or stumbles.
- Participants should have relevant and interesting things to say about the topic.
- Deviation from the assigned topic could lead to a lowering in the points.
- Bringing unique perspectives or insights to the topic is appreciated.
- Points are awarded for speaking for exactly one minute, without going over or under the time limit.

Appeals:

- The coordinators have the right to change the rules of rounds if necessary.
- In case of any disputes, the coordinators' or judges' decisions will be final and binding.
- The coordinators have the right to disqualify any individual if they deem it necessary.
- No appeals will be entertained.

Competition Rewards:

- Best talk: INR 500

Additionally, all participants of the workshop will receive a certificate of participation as a token of appreciation for their effort.

Registration Details:

- INR 100 per head
- There are no registration fees charged for the students who participate in other events that are conducted by the Mechanical department.

Contact Details:

Department Faculty Coordinator: D. Raghuveer - 9778903403

Department Student Coordinator: S. Suresh - 6300338027

Event Coordinator: P. Bharat Reddy - 7036421522

The Moto JAM competition is a great opportunity for all enthusiastic students irrespective of their stream, to acquire some good knowledge about Automobile Engineering. We hope that all participants have a fun time during the event. Good luck to all the participants!
